

# Hunger

1.

Look at me  
My feet are crimping  
Look at me  
My feet are sinking  
Look at me  
My legs are disappearing  
Look at me  
My legs are breaking

**Chorus:**

I am so hungry  
I could nearly die  
I am so hungry  
That ain't no lie  
Give me some help

2.

Look at me  
I am so thin  
Look at me  
Only bones within  
Look at me  
I'm all too thin  
Look at me  
I'm all just skin

**Chorus:**

I am so hungry  
I could nearly die  
I am so hungry  
That ain't no lie  
Give me some help

3.

Look at me  
My arms are thin  
Look at me  
My hands are too thin  
Look at me  
They are only skin  
Look at me  
They are like tin

**Chorus:**

I am so hungry  
I could nearly die  
I am so hungry  
That ain't no lie  
Give me some help

4.

Look at me  
My head are crimping  
Look at me  
My eyes are falling  
Look at me  
My mouth are melting  
Look at me  
My head are fainting

**Chorus:**

I am so hungry  
I could nearly die  
I am so hungry  
That ain't no lie  
Give me some help
